Tests

All products from Four Design are PVC-free.

Warranty

Four Design provides an extended warranty of 5 years on all products in our official price list.

The warranty covers breakage of frames and damage occurred because of deficient

craftsmanship performance under normal use. The warranty shall lapse if the product shows signs of mishandling abuse or other physical damage. The warranty does not cover those parts of the product which are exposed to abrasion during use.

ISO14001

We are aware of our environmental responsibilities. We strive towards a minimal burden in the internal and external environment. The internal environment is evaluated through a careful examination of components and materials used in the production manufacturing processes. The external environment is monitored through laws and regulations.

It is important to Four Design that our suppliers abide to the environmental laws regarding production and handling of waste materials. It is our goal to always use environmentally friendly raw materials.

Four Design A/S can document our commitment to the environment.

We have been awarded the Miljøforum Fyn's Environment Diploma and obtained the ISO14001 certificate in 2011.

Recycling

General: Tables must be separated into parts (table tops and metal parts).

Metal parts: All metal parts on Four Design tables can be disposed of and recycled by an approved environment and raw materials organization. Lacquered frames are treated with a paint classified as not dangerous according to directive 1999/45/EF.

Table tops on Four Design tables cannot be reused, and must be disposed of in the incinerator.

Maintenance

We kindly refer to our Maintenance Guide:
