

FourMe® Lounge

Design Strand+Hvass

FourMe® Lounge is a solide choice for the busy lobby or quiet waiting area. The chair is available in many different colours and combinations to fit and mirror perfectly the layout of the space.

We recommend choosing return-function to secure position is always the same after the guest leaving the seating.

ISO14001

We are aware of our environmental responsibilities. We strive towards a minimal burden in the internal and external environment. The internal environment is evaluated through a careful examination of components and materials used in the production manufacturing processes. The external environment is monitored through laws and regulations.

It is important to Four Design that our suppliers abide to the environmental laws regarding production and handling of waste materials. It is our goal to always use environmentally friendly raw materials.

Four Design A/S can document our commitment to the environment.

We have been awarded the Miljøforum Fyn's Environment Diploma and obtained the ISO14001 certificate in 2011.

Recycling

In general: The modules can be separated in to components, tree and metal.

Metal parts: All metal parts of Four®Design sofas can be recycled by an approved environment and raw materials organisation.

Parts in powder coating is classified as 'not dangerous to the environment'.

Wood, fabric & foam are non-recyclable parts and are disposed properly by combustion.

Maintenance

We kindly refer to our Maintenance Guide:
http://www.fourdesign.dk/pdf/FourDesign_Cleaning.pdf

Tests

PolysHELLS: ZEK / 01.2-08, Testing and Validation of Polycyclic Aromatic Hydro-carbons (PAH).
All products from Four Design are PVC-free.

Warranty

Four Design provides an extended warranty of 5 years on all products in our official price list. The warranty covers breakage of frames and damage occurred because of deficient craftsmanship performance under normal use. The warranty shall lapse if the product shows signs of mishandling abuse or other physical damage. The warranty does not cover those parts of the product which are exposed to abrasion during use.
